A Message from the Owner

Dear families,

As we begin a new year, I want to wish you all a very happy and healthy 2026! The start of January is always a moment to slow down, take stock, and appreciate the people and relationships that matter most.

Over the past few weeks, we welcomed the new year in our homes in simple ways — spending time together, sharing meals, listening to music, and enjoying each other's company. Those everyday moments are what make our homes feel warm and familiar.

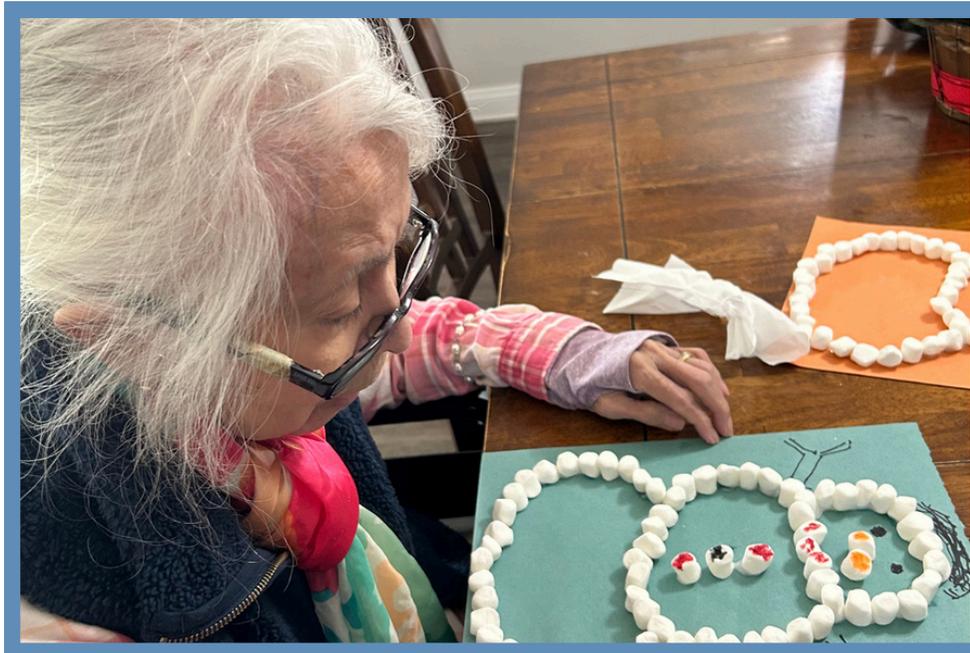

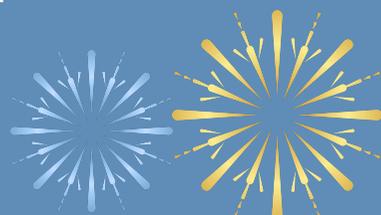

Our focus remains the same as we move into the year ahead: providing a safe, comfortable place where your loved ones are treated with care, respect, and kindness. That commitment guides us in the small, daily moments that often mean the most.

As we look ahead, I am excited about what's to come and grateful to continue this work. Thank you for trusting us and for being part of the St. Jude's family.

Let's make 2026 the best year yet!

With love and appreciation,

Judy Ragano

A Warm Welcome to Our New Residents

We are pleased to welcome Bob Bennett to our Shire Court home in San Dimas and Walter Rosenthal to our Donna Beth home in West Covina. We are also preparing to welcome Arthur Schaut to our Darwood Avenue home next week! We are glad to have you with us and to extend our care to you and your families.

For those new to our newsletter, we share a monthly update with general news, announcements, birthday wishes, national holiday acknowledgments, and other timely information.

As January comes to a close and we look ahead to February, our Activities Coordinator and visiting musician have a full calendar planned. Residents can look forward to music-filled afternoons, Valentine's Day celebrations, creative activities, and time set aside for connection and enjoyment.

Welcome to St. Jude's. Our doors are always open, and we look forward to sharing these moments with you and your loved ones.

New Year, Continued Care

Winter brings a slower pace to our homes, and our focus during this time is on maintaining spaces that feel calm, clean, and well cared for. Daily routines continue as usual, with added attention to shared spaces and scheduled deep-cleaning efforts to keep each home feeling fresh and comfortable.

Behind the scenes, our leadership team remains closely connected with caregivers through regular check-ins and frequent visits. This hands-on approach helps ensure care remains steady, responsive, and aligned across all of our homes.

With February expected to bring cooler temperatures, our kitchens are preparing meals that suit the season. Menus are planned with resident preferences and dietary needs in mind, featuring warm soups, nourishing dishes, and tea. Home temperatures are carefully maintained, and residents are always welcome to enjoy cozy blankets and quiet, comfortable spaces throughout the day.

As always, we are grateful for the trust families place in us and look forward to continuing the care of your loved ones throughout the winter months.

Let's Stay Connected!

To stay connected between newsletters, we encourage families to follow St. Jude's Elder Care on Facebook and Instagram at @studies_eldercare. While this newsletter remains an important way to share updates, we are also working to offer more frequent glimpses into daily life across our homes through short videos and photos featuring our caregivers and residents.

Families are always welcome to share fun facts or details about their loved ones that may spark conversation or be featured in a future newsletter. If you have anything you would like to share, please feel free to contact me directly at 909-263-3787 or judy@stjudeshomes.com.

January Construction Update

Over the past year, we have made steady improvements across all of our homes, and we are encouraged by the progress taking place at each location. These updates reflect our continued focus on creating spaces that support comfort, safety, and daily care.

At our Donna Beth home in West Covina, construction is moving toward completion and is expected to wrap up in February. We appreciate our families' patience as this work comes to a close.

Our next renovation will begin next month and will focus on enhancing space and support for our caregivers. As with every project, the well-being of both residents and staff remains our top priority.

Alongside these larger efforts, we continue to make thoughtful, smaller updates throughout our homes. We are committed to open communication and will share updates through this newsletter or directly as needed.

If you have any questions or feedback, please feel free to contact me directly.
